All the Principals of Schools affiliated with the CBSE

Subject: Submission of School-wise Data for District Information System of Education (DISE) for the year 2012-13

Dear Sir/Madam,

In the light of the Right of children to Free and Compulsory Education (RTE) Act, 2009 various Government agencies collect data through the officials deputed by Central/State Governments. However, it has come to the notice that some schools are not cooperating in making available data in the manner prescribed under District Information System of Education (DISE)/ Secondary Education Management and Information System (SEMIS).

The importance of timely submission of complete and accurate information through District Information System of Education (DISE) has been emphasized by the Board every year.

It is reemphasized that every head of the institution has a responsibility to ensure timely submission of accurate data to the District Information System of Education (DISE) in the uniform structure developed by the Government of India. Therefore, you are requested to cooperate with the local DISE Agency to achieve the targets set by the Government.

The Affiliation Bye-Laws of CBSE Rule 13.3 also prescribe that *"the school shall supply information and returns called for by the Board/State or Central Government/Local Authority within the prescribed time given for its furnishing to the authority concerned"*. Any non co-operation or default in timely submission of information asked by the State/Central Government Authorities can lead to invoking of provisions against school under rules of Affiliation Bye-Laws.

Therefore all the Heads of institutions affiliated to CBSE are requested to cooperate with various Government Agencies in the process of collection of data through District Information System of Education (DISE) and Secondary Education Management and Information System (SEMIS) by submitting accurate information in the structured format within the time frame fixed for the same.

Yours sincerely,
