The Principal/Headmaster,
CST _____

Subject: Educational Management Information System (EMIS)
Sir/Madam,

Sarva Shiksha Abhiyan (SSA) is an important project of Government of India and Educational Information System (EMIS) plays a vital role in the success of the project. This Administration has received instructions from MHRD regarding Educational Management Information System (EMIS) under Sarva Shiksha Abhiyan (SSA) framework which covers primarily the District Information System for Education (DISE), household survey and child tracking system. The objective of the system is to analyse data collected through various sub-system and flag issues which need to be addressed in the process of planning, implementation, evaluation, monitoring and mid course correction of SSA. DISE is an annual exercise with a uniform record dated of 30th September.

The National University of Educational Planning and Administration (NUEPA) is in the process of collecting the DISE data school-wise on enrolment, physical infrastructure, teacher and student performance oriented data in structured data capture format (DFC). The required data for EMIS is also to be collected from all CSTs by the authorities.

You are, therefore, requested to prepare data base concerned to your school in the matter and extend your fullest cooperation to State Government, NUEPA authorities by providing the required data as and when the concerned authorities contact your school.

Yours faithfully,

(M. V. V. PRASADA RAO)
DIRECTOR
