Subject: District Information System for Education (DISE) 2012-13 data Collection

Dear Sir,

As you are aware that **District Information System for Education (DISE)** is a joint initiative of the Ministry of HRD & NUEPA to strengthen EMIS in the country. Through DISE, we collect school-specific information on a variety of parameters which are being used in planning, monitoring & implementation of government's flagship SSA & RTE programme.

In the current year i.e. 2012-13, the scope of DISE has been further expanded to Secondary and Higher Secondary level of education. Irrespective of the management, all such schools are supposed to be covered under DISE 2012-13. In this regard, I request you to please provide us state-wise list of all schools which are recognized by your organization so as to ensure that data from all such schools are collected under DISE 2012-13. In addition, you are requested to please write a letter addressed to Principals of Schools with a request to co-operate with the Cluster/Block Resource Centre Co-ordinators & MIS In-charges at block & district levels & furnish complete information through the DISE format.

15/10/12

We are planning to upload both the list of schools and letter on our website i.e. www.dise.in. I am confident that with your support, we may reach to all schools.

An early action is requested

With kind regards,

Yours Sincerely

(Arun C. Mehta)
